Dear Special Master Lancaster,

Thank you for your prompt attention to this matter. On behalf of our clients, we would be grateful to know whether BP is involved in the Maine project and appreciate your willingness to make such inquiries of your partner who is handling the matter.

Respectfully,
David Frederick

Subject: Questions

Dear Mr. Frederick,

The attorney responsible for handling the Downeast matter is out of the office.

I have left word for him to call me but it may be Monday before I will have the answers to your questions.

In the meantime, it has occurred to me that he may not know the answer to your second question, i.e., "Is BP a participant ("partner" is, I believe, the term you used) in the project?" If he does not, do you want him to ask the client?

Ralph Lancaster
