

Walmart Fulfillment Services

Ready to take control of your business?

Stress-free fulfillment is in your hands.

With no inventory minimums or maximums, WFS gives you the freedom to choose how you scale your business.

WHAT IS WFS?

**You bring your amazing products.
We'll bring our world-class supply chain and team of experts.**

Walmart Fulfillment Services (WFS) offers end-to-end fulfillment services for Walmart Marketplace sellers. With one of the world's largest supply chains, we're uniquely positioned to provide the scale, quality, cost, and efficiency you need to grow a successful business on Walmart.com.

NEW! A more cohesive WFS experience in Seller Center.

Accessible upon completion WFS account setup

[Check it out](#)

1. [Join Walmart Marketplace](#) to access WFS and set up your products

2. Ship your inventory to a WFS facility

3. We store, pick, pack, and ship your orders

Upon partnering with WFS, we've seen major growth in no time. Integrating our business, managing shipments, and reviewing reports is extremely simple and easy.

Raymond A., Director of Sales, Miko Brand

“

We strive for perfection and efficiency on every transaction. Walmart's ability to deliver in two days or less takes the standard to the next level. We value our relationship with Walmart Fulfillment Services and their ability to deliver within 2 days, creating a positive experience to a large customer base.

Brian Lackey, Director of Emerging Marketplaces

”

Be the next success story
