Re: *State of Florida v. State of Georgia*, No. 142, Original In The Supreme Court of
the United States

Dear Special Master Lancaster:

The City of Albany, Georgia understands it has until April 27, 2015, in which to complete production of responsive documents. We request this deadline be extended to May 27, 2015. The reason for the request: we are still in the early stage of determining whether responsive documents are available in their native format. I understand that the State of Florida does not oppose the instant request.

Sincerely,

C. Nathan Davis
City Attorney
