

17-532 HERRERA V. WYOMING

DECISION BELOW: Unreported

LOWER COURT CASE NUMBER: 2016-242

QUESTION PRESENTED:

Whether Wyoming's admission to the Union or the establishment of the Bighorn National Forest abrogated the Crow Tribe of Indians' 1868 federal treaty right to hunt on the "unoccupied lands of the United States," thereby permitting the present-day criminal conviction of a Crow member who engaged in subsistence hunting for his family.
